About TEDx Evanston

TEDxEvanston 2012 is an exploration of learning in all its forms. Learning is not just about knowledge, it's about identity. What we learn and how we learn it helps shape who we become. From the classroom to the boardroom, from the technologies that direct the spread of ideas, to the trailblazers that forge new routes to understanding and inspiration.

For more information, visit our website at <http://tedx-evanston.com>
